Directions from I-55 Damen Ave. Exit

- Turn left at the exit and continue south on Damen Ave. to Archer Ave.
- Turn right on Archer Avenue. Continue approximately 0.5 miles southwest on Archer Avenue until you reach Western AVENUE. Turn right onto Western AVENUE.
 - Note: Western BOULEVARD is immediately before Western AVENUE. **DO NOT TURN ONTO THE BOULEVARD!**
- Continue north on Western Avenue past the first stop light. You will approach an underpass after the stop light. Take a slight left prior to the underpass onto the frontage road. The road may look like a one-way residential street, but it is a two-way street that is the only way to enter our facility.
- Our facility is the first building past the I-55 overpass.

Note:

Do **NOT** take Exit 289 California. There are low underpasses on 35th street and on California that will cause severe damage to your truck. Nearly every day there is a truck stuck under one of the underpasses and we don't want that truck to be you!
